JR. & SR. High Physical Education - Shorts and T-Shirts to change into and Non-marking running shoes with adequate ankle support.

CALCULATOR Information

Sr. High - Good quality graphing calculators are required for all High School 10C, -1, -2 Math courses.

Jr. High - Requires students to have a calculator, starting in Gr. 7 the recommended calculator should be fraction capable, recommended brands are Texas Instruments and Casio.

Senior High - Paper - Most assignments are now printed at school. This decreases the amount of loose leaf each student uses, but dramatically increases the use of printer paper.
